

Nominating Committee Spring Survey 2018

Exercising our gifts at Mt. Toby Meeting

Spring 2018 is coming, and Nominating Committee is beginning our work of finding a new Meeting clerk, recording clerk, and reviewing service on all committees. Serving on a committee can be a chance to deepen our relationships with the Mt Toby community by spending time in worship, collaboration, and fun with a small group of other meeting folks.

The foundation of all our work is discernment. We hold what people might offer and the needs of the meeting as we let names rise. Knowing your interests and gifts helps us in this process.

By completing this form, you are not volunteering! Even if you can only offer occasional help or are unable to serve at this time, we value holding you as we cultivate awareness of all the gifts and interests in our community.

Please mark all activities below that interest you.
