

Finance Committee report for Dec 11, 2016, Meeting for Business:

The Finance Committee recommends closing down the Greenfield Preparative Meeting Fund and moving the balance to the Capital Fund. The funds were transferred to Mt. Toby when Greenfield Preparative Meeting was laid down in 2005. There are no conditions on the use of this Fund, though the Greenfield Trustees did suggest that "this sum be used to improve the facilities of our First Day School and/or to benefit other Meeting Activities as the term is used for our budget categories." This move was considered during the discussions about the Adlerblum Bequest because of the recognition of all our capital needs. There is currently \$7,009.74 in the fund. This requires MfB approval.

Alice Swift, clerk of Finance Committee
